The Thomas W. Joy Scholarship

Orleans, Massachusetts - In honor of the firm's founder and former CEO, Coastal Engineering Company, Inc. established the Thomas W. Joy Scholarship. This scholarship is awarded annually to a student who is graduating or transferring from Cape Cod Community College into an engineering program at an accredited university or college and planning to study civil or structural engineering.

Coastal is proud to announce that Murphy Rutledge has been awarded the 2010 Thomas W. Joy Scholarship.

Thomas "Will" Joy founded Coastal Engineering in 1976 and served as President and CEO of the firm through 2004. Today, led by John A. Bologna, P.E., Coastal Engineering is a leading provider of civil, structural, and marine engineering and land surveying services for commercial, residential, and municipal clients throughout Cape Cod, the Islands, and Southeastern Massachusetts.
