

Coastal Appoints New Division Heads

Orleans, Massachusetts – Coastal Engineering Company is pleased to announce the appointment of two new Division Managers in our Structural and Marine Engineering departments. **David A. Morand, P.E., SECB** has taken over responsibility for our structural division and **Roy E. Okurowski, P.E.** has assumed responsibility for our marine division.

Dave has over 18 years of experience on large-scale residential, commercial, institutional, and governmental projects, and a broad range of knowledge in structural engineering design and rehabilitation of existing structures.

Roy has over 17 years of experience in civil engineering design and marine construction with expertise in oceanographic, hydrographic GPS and geophysical survey instrumentation. Roy is also an ACSM-certified hydrographer.
